HOW DONATIONS TURN INTO SAVED LIVES

2021 FINANCIALS

Established in 1935, the SPCA Albrecht Center for Animal Welfare is a private, non-profit organization operating under IRS Section 501c3. We have been placing thousands of homeless and neglected animals into loving forever homes for over 85 years.

We depend solely upon local donations to support our efforts to save the lives of homeless dogs and cats in our community, and receive no regular funding from state or federal agencies, or from the ASPCA (a completely separate entity).

Our success is due to the efforts of dedicated SPCA Albrecht Center employees and volunteers, support from our Board of Directors, as well as the generous donations and continued support of our animal-loving community.

**The SPCA's triumphs are the community's triumphs
and we are honored to be supported by the CSRA.**
